It is the responsibility of each competitor to check the Official Bulletin Board for all official information. The skating orders will be posted at the start of the first official practice for the competition.

Registration

Due to the short preparation time available, ALL confirmation times and event notifications will be done by email and website posting. NO "regular" mail (USPS) will be used. See www.eifsc.org for all information.

The official registration desk, located on the Lower Level Lobby of the Cedar Rapids Ice Arena, will be open on Monday Oct. 8, 2007 and will remain open throughout the championships. Competitors must register promptly upon arrival and will receive their registration packets at that time. Competitors must turn in their competition music at registration and will not receive their event credential until they do so. **The Cedar Rapids Ice Arena office can not answer your questions about anything concerning a competition.**

Practice Ice

Practice ice will begin on Monday, Oct. 8, 2007. Practice ice will be available on the competition surfaces (Olympic and NHL rinks) at the Cedar Rapids Ice Arena. The Coral Ridge Ice Arena rink, at the Coral Ridge Mall facility (20 minutes from Cedar Rapids), will be used strictly for general practice sessions. Pre-purchase of "qualifying round-QR" practice ice sessions will be on-line only at www.eifsc.org.

Practice Ice Instructions:

There are three types of practice ice: 1) Program Ice - short program and free skate sessions with music, 2) General Practice Ice - no music, and 3) Warm-Up Ice - competition day ice. Ice will be available on Olympic and NHL rinks at the Cedar Rapids Ice Arena and also at Coral Ridge Mall. We will be selling ice on the competition surfaces at Cedar Rapids Ice Arena on Monday and Tuesday so that competitors will have an opportunity to skate on the sheet of ice on which they will be competing (we can only guarantee ice time on your competition sheet on Monday and Tuesday). Limited practice ice will be available at Cedar Rapids Ice Arena once the competition begins on Wednesday. We will schedule other practice ice at Cedar Rapids Ice Arena as the competition schedule permits. For levels with qualifying rounds, "championship initial round-CIR" and "championship final round-CFR" practice ice will be sold at the Practice Ice desk after the final results ("QR" and "CIR" rounds) have been posted for each event. Additional practice ice will be available at the Coral Ridge Mall throughout the competition. All additional practice

ice must be purchased at the official Practice Ice Desk upon arrival and throughout the competition. You may not buy ice for more than one skater at a time if there is a line at the practice ice desk. All practice sessions are 30 minutes. Cost is \$20 per 30-minute practice ice session per skater and \$15 per 15-minute warm up session. Practice ice fees are nonrefundable and nontransferable.

Competitors may purchase one Program Ice session per day for each event segment (e.g., short program and free skate), one warm-up Ice for each event they compete on the day of the event, and may request up to three General Practice Ice sessions. If your event has a qualifying round, please purchase practice ice only up to the time of your qualifying round. We will not refund unused ice time nor will we consider any special requests for ice time.

Please fill in all of the requested information on the On-Line Practice Ice Form at www.eifsc.org. If an event is scheduled earlier than you expected and you requested sessions that are not compatible with the competition schedule, we will adjust your request accordingly. Please wait to pay for your ice until you receive your practice ice invoice, which will be emailed to you. After you submit your form you will receive an automated response acknowledging the request, then approximately 24 hours later you will receive an email from EIFSC acknowledging your ice request, and finally later in September you will receive an email with an invoice and your practice ice schedule. Your payment for your practice ice will be due on Oct. 1, 2007 and is required to secure your scheduled sessions. No on-line requests will be accepted after Sept. 1. If you send multiple Practice Ice request forms prior to Sept. 1, only the last submission will be considered, and all previous requests will be invalid.

All skaters will be required to present their practice ice tickets and show credentials to the ice monitors before skating on a practice ice sessions. Skaters are required to check in at the practice ice desk to pick up their practice ice tickets prior to attending a practice session. Skaters must bring their music to any program ice sessions for which they are scheduled.

Competitors will be able to pre-purchase practice ice sessions using the online form only located at www.eifsc.org. All practice ice requests are scheduled and confirmed on a first come, first served basis. The deadline for practice ice requests is Sept. 1, 2007. No on-line requests will be accepted after Sept. 1.

When scheduling the practice ice, your competition schedule, arrival day and specific practice ice request form will be taken as input for scheduling purposes. You will be notified of your practice ice schedule by email only. After the initial practice ice is scheduled, we will be posting a schedule of additional practice ice for purchase on www.eifsc.org. Additional practice ice maybe purchased only at the practice ice desk starting on Monday.

Practice ice payment instructions will be included with the practice ice invoice sent in late September. Please do not mail your practice ice payments to U.S. Figure Skating (doing this will prevent us from scheduling your practice ice sessions).

Awards

Awards will be presented to the first through fourth place competitors in each event as soon as possible following the posting of the results. Qualifying medals will be given for qualifying round placements in those events that require initial rounds. For events with short and free skate programs, awards will only be given for the final combined results, and not for the individual placements in the short or free skate segments.
